# Invitation Letter

Dear Colleagues and Friends,

On behalf of the FASAVA 2025 organizing committee, it is our biggest honor to invite you to the 13th Federation of Asian Small Animal Veterinarian Association Congress (FASAVA 2025), in Daegu, Korea from October 31(Fri.) to November 2(Sun.), 2025.

Launched in Australia in 2008, FASAVA is a prestigious academic congress that tours Asian member countries every year, and we welcome you again in Daegu, Korea, after 14 years.

With the theme of 'One Vision, One Voice: Advancing Asia Pacific Veterinary Medicine', FASAVA 2025 aimed to set a platform for innovation and growth in the field of veterinary-related industries, promoting exchanges and cooperation with the global veterinary community.

Especially, the host organization the **Korea Animal Hospital Association (KAHA)**, the Co-host organization, **Daegu Veterinary Association (DVMA)** and support organizations, **Korea Veterinary Medical Association (KVMA)**, **Korean Society of Veterinary Clinics (KSVC)** and **Yeongnam Veterinary Conference (YNCVET)** do their best to provide insightful lectures in various fields for more than 4,000 veterinarians and related industries participants.

We believe that It will be a unique and best opportunity to catch up on the newest trends, broaden viewpoints, and gain innovative insights at small animal veterinary field.

It will be a delight to meet friends in one of Korea's most beautiful and powerful city, Daegu, Korea!

We look forward to all of you meeting in beautiful Autumn in Daegu!

# Welcome Message

Greetings from Korea!

On behalf of the entire organizing committee, I extend a warm welcome to you all. It is an honor to invite you to Daegu, Korea, on a beautiful autumn day when the sky is high and clear, the horses grow fat, and the world turns colorful with autumn leaves.

The companion animal industry has rapidly evolved in recent years. In particular, Korea's veterinary medical technology has gained international prominence through innovative advancements, playing a more significant role than ever before. Korea is now at a point where its contributions are in demand internationally across various fields, including the companion animal industry, livestock, veterinary research, and biotechnology.

FASAVA (Federation of Asian Small Animal Veterinary Associations), which has been elevating its status through the participation and exchange of veterinarians in the Asia-Pacific region, aims to further enhance its international reputation through the 2025 congress in Daegu, Korea.

We will prepare this congress as a platform for innovation and growth in veterinary-related industries, promoting exchanges and cooperation with the global veterinary community. This event will pave the way for collaborative efforts towards the future of veterinary sciences, where new knowledge and the latest technologies can be experienced.

I look forward to your participation and active contribution.

Thank you
